Although we try our best to help campers keep their articles together, Camp SAM is not responsible for lost articles and we can not replace them or refund their value. We strongly encourage parents to check their camper's luggage and the lost and found before leaving camp. It will be much easier to locate lost items at that time. If you find that your camper has returned home without some of his/her belongings, please contact the camp on our first business day to start the search. Please keep in mind those two weeks after camp, all lost and found items will be donated to a local charity, if not retrieved by the rightful owner.
